Re: Roberts Road Development Corporation Finance Reporting Requirements

Dear Mr. Sanvidge:

Through inquiry and review of organizational documents and board minutes, it has been confirmed that the Roberts Road Development Corporation (RRDC) was formed on March 19, 2009. There has been no financial activity to date, other than receipt in 2014 of an earnest money deposit from Atwater Capital LLC in the amount of \$11,060.00. Attached is the December 2014 year-end bank statement that reflects that RRDC is continuing to hold the deposit.

As a result, the Roberts Road Development Corporation had no income, expenses, assets or liabilities during or at the end of the annual period ending December 31, 2014, other than receipt of the earnest money deposit. Because there is no financial information to constitute a financial statement other than the earnest money deposit of \$11,060.00, an audit or financial statements will not be provided other than this letter and the December 2014 year-end bank statement.

Very truly yours,

Susan Marsh, CFO, RRDC
